

Facts not Fiction

It's not *how* you got here,
it's why you needed to

PEOPLE in need

In recent years we have worked with refugees from some of the most dangerous countries across the world, due to war, genocide, torture, oppressive regimes/ governments including: Sudan; Eritrea; Iran; Syria, Iraq, DRC, Afghanistan and most recently Ukraine.

People seeking asylum are escaping to find freedom from persecution, hence they often choose dangerous journeys to escape...
